*THIS IS NOT AN ORDER FOR SURVEYING WORK. NO WORK WILL BE PERFORMED AND NO FEES WILL BE CHARGED UNTIL AN ACTUAL ORDER IS SUBMITTED. PRIOR TO SUBMITTING AN ORDER, PLEASE BE AWARE THAT BY ORDERING A SURVEY YOU MUST CERTIFY: (1) That either you are the person financially responsible for the survey or you have been authorized by the person financially responsible for the survey to order a survey on their behalf, and that you (they) acknowledge that you (they) are responsible for paying Crannell, Crannell & Martin Corporation (the "Surveyor") for the services performed to date in the event the order is cancelled, the transaction fails to close, or if additional surveys are ordered from other surveyors, (2) that you are authorized by the current owner of the property to order a survey of their property, and that employees of the Surveyor have their permission to enter their property and survey it, and (3) that you have notified the current owner and occupier (if different people) of the property that: (a) the Surveyor will be coming to survey the property and will need full property access including front yard, side yards, back yard, and alley if present, and (b) since the Surveyor's work involves the property outside the house, the Surveyor WILL NOT call to schedule an appointment unless specifically asked to do so. Please call if you have any questions or would like us to send you our current standard price lists. We appreciate your business! Thanks and have a great day!
